

# Endangered Animals

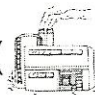

Read and fill in the blanks.

Once people and animals shared the same e \_\_\_\_\_ (  ).

There was enough f \_\_\_\_\_ (  ) and w \_\_\_\_\_ (  ).

But the number of people is growing and people need more cities,

r \_\_\_\_\_ (  ), fields, f \_\_\_\_\_ (  ) and

h \_\_\_\_\_ (  ). For some animals, there is very little space left,

so they may disappear. We call them endangered a \_\_\_\_\_ (  ).

If we take away too much of their l \_\_\_\_\_ (  ), these animals will

not be living any longer. Endangered a \_\_\_\_\_ (  ) need our

h \_\_\_\_\_ (  ). Endangered a \_\_\_\_\_ (  ) need

laws to protect them from h \_\_\_\_\_ (  ). Please, save homeland

for a \_\_\_\_\_ (  ).
